TRANSFER OF WEAPONS

COMPLIANCE WITH THIS PUBLICATION IS MANDATORY

This instruction establishes a mandatory time frame for all weapons custodians located on Sheppard AFB to accomplish the physical transfer of weapons between their equipment accounts. It applies to all organizations on Sheppard AFB.

Section A -- Procedures

1.1. Gaining and losing equipment custodians have a maximum of 30 calendar days to finalize the transfer of weapons (small arms) between equipment accounts on base. Accordingly, custodians must complete the physical transfer of applicable weapons no later than 30 calendar days after Base Supply processes the transfer paperwork (Document Identifier Code of FET).

1.2. Depending upon where the weapons are currently stored and will be stored after the transfer, the gaining and losing equipment custodians will contact the Non-Nuclear Munitions Storage Area, extension 6-2002, and/or the Security Forces Armory, extension 6-5165 to establish a mutually acceptable date and time to physically transfer the weapons.
